Named to the post of president of the Louisiana State Normal College on March 3, 1941, Dr. Farrar has, in this short time, completely remodeled all phases of work at the college and instilled a new feeling of attainment into the work of the college. With the revision has also come rewards. A major result of Dr. Farrar's work has been the restoration of the college to the approved list of the Southern Association of Colleges and Secondary Schools, a position the college has not enjoyed since 1939.

E. Wright, Howell, Schlernitzauer, MacCurdy, Decoteau and T. Wright of the Council are caught in a discussion in the field house.

The term "Student Government," as used on Normal campus, means much the same as at other institutions. The Student Body Association, organized fifteen years ago, was formed to permit the students to regulate all matters pertaining to the student life of its members that do not interfere with policies enforced by the Administration.

Each year's Association has as its governing body the Student Council, which acts as the executive of the Association and has under its supervision the other student organizations. The

Council is composed of fourteen students, eleven of whom are elected by the students, with three memberships coming from the three religious organizations on the campus.

Headed by the vice-president of the student body, the Council is made up of the president and secretary of the student body, three representatives-at-large from the body, the heads of the Senior, Junior and Sophomore classes, the editors of the two college publications, and the representatives from the Y.M.C.A., Y.W.C.A. and the Newman Club.

Keep 'Em Fighting! Keep 'Em Flying!

Organization of numerous courses connected with Civilian Defense and the national war effort has just begun on the Normal campus. One course, however, has been offered for two years and, to show the degree to which the college has entered the world conflict, we have selected this course for explanation.

Not including the seventh class of the Aviation course (now in session), one hundred and fifty students have completed primary training at the Municipal Airport of

the city of Natchitoches, and, of the number that have completed the semester-long course, seventy percent have volunteered for the air forces of the nation. Of that seventy percent, nine out of ten are now active in the Air Corps of the armed forces.

The percentage that has been set by this one course should be a goal for other units in their work on the campus.

Publications

Brothers Charles and Paul Stahls, "Current Sauce" Editor and Business Manager.

The Current Sauce

The "Current Sauce," official publication of the student body and of the Alumni Association, is a weekly four-page newspaper edited on the campus and operating under the motto: "Here shall the press the students' rights maintain, unawed by influence and unbribed by gain."

Editor Stahls, after completing half his term in office, appointed Sam Kendrick and Louise Hawkins co-editors, since his resignation to join the armed forces left that position vacant. With the opening of the Fall semester, the paper's format was changed from its customary seven-column size to the more modern five-column tabloid style.

Editor Kent Buckingham

The 1942 Potpourri

The yearbook of Louisiana State Normal, carrying the title "The Potpourri," is issued to the students shortly before the end of the Spring semester, and, in each issue, attempts to place before the students a recount of that particular year, so that they may in later years refresh the memories of the college at which they prepared for their life's work.

We, the editor and staff of the 1942 "Potpourri," hope that when each student reviews this annual in later times he will offer to himself the decision that a successfully complete pictorial story appears before him.

Both of the publications of the Student Body Association, "The Current Sauce" and "The Potpourri" are financed through monies derived from student funds. The publications, each under the supervision of an appointed faculty adviser, are headed by student-elected editors, who are assisted by separate staffs composed of students

PURPLE JACKET CLUB

With the distinction of being the oldest honor organization on the campus, the Purple Jacket Club, having a complement of ten sorority and eleven non-sorority women, serves the college and student body as their official representatives, and in other capacities whenever called.

To many persons it seems that their work is done only while functioning as a body, but each girl strives as an individual to better her service toward the college, and to uphold the traditional themes of loyalty and service that are so ever-present in each year's group of Purple Jacket girls.

At the end of the year the members choose new girls from the Sophomore and Junior classes to replace those who graduate. Selection is based upon scholarship, leadership, willingness to serve, and loyalty to the college.

Scenes from "Love Rides the Rails."

ONE OF TWO MAJOR PRODUCTIONS THIS YEAR—"LOVE RIDES THE RAILS, OR WILL THE MAIL TRAIN RUN TONIGHT?"

More from "Love Rides the Rails."

With four championships and two second-place awards in tournaments attended prior to the annual Louisiana speech meet held on the campus in March, the forensic squad set an all-time record in early-season wins during 1942.

Starting off with top honors in the junior women's division of debate, first in women's radio and two second places in debate at the East Central State College tournament at Ada, Oklahoma, the college speakers continued their winning streak by capturing a championship in radio speaking for women at the Baylor University meet in Waco, Texas, and in senior women's debate at the Mid-South tournament at Arkadelphia, Arkansas.

Virginia Leete and Norma Ruth Holcombe won the first-place trophy in junior women's debating and Mary Ellen Caldwell was first in women's radio speaking at the Oklahoma meet. Carolyn Cook and Mary Ellen Caldwell were awarded second place in senior women's debating and Virginia Cook and John White won second in the mixed division at the Oklahoma tournament.

Miss Caldwell added another championship in radio to give the local college speakers the only first place at the Baylor meet, while Adelaide Smith and Billie Cheves added to the laurels won by the college this year when they defeated teams from seven states to take the championship in senior women's debate at the Mid-South tournament.

G. F. Thomas, Jr., and Aubrey Kendrick made good records at the Millsaps College tournament at Jackson, Mississippi, and at the Oklahoma and Texas meets. Teaming together for the Arkansas tournament, Thomas and John White advanced to the semi-final round before being eliminated.

Adding three first and three second places to their long line of wins at the Louisiana Forensic and the Southern Association of Teachers of Speech Tournaments, the Demon debaters closed the 1941-42 season with a total of seven championships and six second places.

White outlines the case . . . Debate champions of 1942—Virginia Leete, Norma Ruth Holcombe, Adelaide Smith, and Billie Cheves . . . 1942 lettermen—Sam Kendrick, Adelaide Smith, Billie Cheves, Carolyn Cook, and G. F. Thomas, Jr. . . . Coach Ropp instructs Mary Ellen Caldwell in radio technique.

M U S I C

Of the musical organizations active on the campus, two are outstanding—the seventy-three piece concert and marching band, under the direction of Dwight G. Davis, and the A Capella Choir, composed of fifty-five voices, and led by Walter S. Mason.

In his first year with the Demon band, Director Davis has made many obvious improvements. While playing for sporting events on and off the campus, the band flashed an organization resplendent in new uniforms, with their maneuvers on the field and numbers from their seats adding color and enjoyment to the events at which they appeared.

Just now closing out its concert season, the band has received many compliments, which might justly be turned in Director Davis' direc-

tion, regarding its improvement. The new leader has devoted his full energy toward developing a well-balanced, well-trained organization which seems destined to be regarded as among the best in the history of normal bands and one of the best to be heard at this time in this territory.

With the activities of the Choir curtailed somewhat—in comparison to last year's organization—it has remained for Director Mason, also new on the campus, to partially satisfy the demands of many persons with a season of short appearances and concerts. Given a bit more time to become accustomed to the new leader, the choristers should enjoy even more widespread fame as an A Capella Choir—already distinguished by being one of the first of this type in the state.

HISTORY

The Normal N Club, honor organization for athletes on the campus, is another of the few organizations of this type that has lasted throughout the years. To gain membership to the body, the male student must first letter in one of the varsity sports in which Normal teams engage. As in previous years, the present N Club has approximately forty

members, all of whom have met the requirements of scholarship and ability which the organization enforce. Quite a few N Club men have graduated only to return later to accept positions with the college. Among these men are President Joe Farrar, Harry Turpin, M. R. Weaver, J. W. Webb, H. J. Colvin, L. S. Miller, S. W. Nelken, A. L. Ducournau, M. T. Cheves, R. I. Davis, G. E. Miller, Walter Ledet and Gaiennie Hyams.

THE GAMES

Normal, 44; Delta State Teachers, 0

Natchitoches, La., Sept. 19, 1941

Doc Marx works over an injured Demon.

Head Coach Harry Turpin's squad opened the 1941 season minus their usual college following because of the delay of school's opening, but the Demons, witnessed by 3,500 U. S. Service men and additional fans from the town of Natchitoches went through, around and over the Delta Eleven to garner 14 points in the first period, a like number in the second, 10 in the third and 6 in the final quarter.

Pat Nation started the scoring with a dash around end early in the opening period, with Tommy Bambrick adding another six points with a line drive just before the whistle. Quarterback Ted Wright converted both extra points. Meagher, on an 18-yard pass from Vige, went over for the first Demon touchdown of the second period, Taylor converting. McSwain scored just before the half on a beautiful run of 36 yards and Taylor again came out of the line to convert. The Statesmen went to their half-time showers 28 points short.

Sophomore Carlton Johnson opened Normal's scoring in the second half when he rang up six points on an eight-yard sweep. Ted Wright made it three for three when he again split the uprights for the extra point. Another three points came off the toe of Taylor, who registered a field goal from the Delta 27 when a Normal drive bogged down. The Demons chalked up only one marker in the fourth period, this time on a combination play by Sophomores Brown and Vige. Brown, starting from own 43, went to the Delta 17, but was forced to lateral to Vige, who carried the oval over. A bad pass from center ruined the extra point try.

The Demon's one weakness against the Statesmen turned out to be pass defense. Delta completed twelve out of twenty-three attempts for 144 yards, but couldn't follow up their aerial gains for scores.

Shreveport, La., Oct. 4, 1941

In the first Louisiana Intercollegiate Conference tilt of the season the Demons and Centenary's Gentlemen divided the scoring, ending up in a 6 to 6 deadlock.

The Normal line kept the gates closed to Gent backs, who had to rely on several severe penalties in order to cross the Demon goal. Normal's score came when Theophile Scott made a 96-yard return of the second-half kickoff for a touchdown, but Taylor had no chance to convert when a fumble on the pass from center caused Bambrick to attempt a run, the Demon

back being stopped hardly two feet from the Gent Goal. Centenary's touchdown came as a result of two first downs and two pass interference penalties on the Demons, the scoring being made on a play from the one-yard line. Their attempt at conversion was wide.

Neither team threatened for the remainder of the game, with most of the gains registered being by the Demons in one final drive into Centenary territory.

Natchitoches, La., Oct. 10, 1941

Paced by Theophile Scott's brilliant play for the second successive week, the Demons remained undefeated when they downed a fighting Louisiana College eleven 7-0.

The game's lone marker came in the first quarter when Scott took a lateral from Bambrick, Demon spinnerback, on the Wildcat 40, and, behind beautiful blocking by Normal linemen, raced over for the score. Bambrick set

up the play with an 18-yard dash through center. Ted Wright converted to give the Demons their game-winning total of seven points.

The Demons were in Wildcat territory continually during the second half, but were unable to score on any of their drives. Louisiana College's heralded Waldo was an impotent star for the Cats, for it was impossible to crack the strong resistance shown by the Demon line under the leadership of Captain Bama Wright.

Normal, 0; Louisiana Tech, 10

Louisiana State Fair, Shreveport, La., Oct. 17, 1941

"Hello Shreveport—goodbye Tech," was the cry of the Normal student body when the Demons met the Bull-

dogs of Louisiana Tech in the annual State Fair gridiron classic. The cry was denied, however, when the Dogs trimmed the Demons 10-0.

Following the opening kickoff, the Demons started a bruising drive straight down the field, the offense, however, halting on the Bulldog 12-yard line after three consecutive first downs. Ted Wright's attempt at a field goal was wide, the oval going over to Tech on their 20.

After being penalized 15 yards for holding, Tech was forced to kick to Scott, who made a 38-yard return. The Demons rang up a first down on the Tech 20 as Scott passed to Bama Wright, but again the Tech line held and Ted Wright's second attempt at a field goal

THE FRESHMAN TEAM

First row: Ledet, Pooler, Wilson, Thompson, Hertzog, Jeter. Second row: Randell, Eason, Clawson, Landry, Young, Verbus, Tinsley, Dunn, Woodward. Third row: Burley, Townsend, Cooley, Dickerson, Tripp, McFarland, Warren, Clay, Benton.

was low. No penetrations or scoring threats were made by either eleven during the remainder of the first half.

With a 15-yard technical penalty at the opening of the second half, the Demons found themselves in a hole from which they did not emerge to make a scoring threat. The Bulldogs capitalized on their chance, and, in the late minutes of the third period, scored three points on a field goal after a series of passes had carried them to the Normal 13. Action up and down the field took up the major portion of the final quarter until Normal began filling the air with passes in an attempt to pull a victory away from the Bulldogs. This failed, however, and the Dogs, in one final drive, went to the Normal one, from where Michael carried the ball over and then split the uprights for the final point of the day.

THE FRESHMAN GAMES

The Normal Imps, baby brothers to the varsity Demons, also had a season split with victories, ties and losses. Under the direction of Coach Walter Ledet the Imps downed Centenary's freshmen 21-0, lost a 6-0 heartbreaker in the mud to Magnolia A. & M. while playing without the services of several first-string men, waded to a 0-0 draw with the Tech frosh, and closed their four-game schedule with a loss 6-0 at the hands of the S. L. I. Bullpups in Lafayette.

Coach Ledet has developed an aggregation that will greatly bolster the Demons in their 1942 season, particularly in offensive play. Ledet turned out a line heavy in weight and stubborn in their defense, and placed behind them a smooth-working set of back that will later endanger any college's goal line which these gridders face.

Normal, 6; Southeastern Louisiana College, 0

Hammond, La., Oct. 31, 1941

MUD! Those students unable to journey to the Southeastern game missed the wettest and one of the closest Demon games of the season. Quite a bit of surprise came to the spectators when the Lions' vaunted aerial attack worked even in the rain. This attack, made possible by the exchange of balls after each play, carried Southeastern into scoring position on four occasions, but here the ground defenses of the Demons went into action and prevented any scores.

Normal played a steady, driving brand of ball on the slippery gridiron and scored on Bambrick's drive from the half-yard line just before the game's end. Taylor's charge through the Lion forward wall to block their attempted kick was the play that set up the score. Scott also provided a nice "thrill play" when, after his kick from behind his goal was blocked, he snatched the ball from Lion linemen and streaked the oval out to the three-yard line, from where the Demon back made his second attempt good and booted the ball out of danger.

As in the Delta game, the defense against passes almost got Normal into trouble, for were it not for four beautiful goal-line stands by the forwards, the Southeasterners might have been on the other end of the 6-0 score.

Normal, 7; Mississippi Southern, 21

Hattiesburg, Miss., Nov. 7, 1941

First-half jitters might, in two ways, be blamed for the defeat of the Demons in Hattiesburg by the Mississippi Southern eleven. Perhaps the Demons were a

bit off after two long road trips, and, on top of that, they faced a jittering, dashing little halfback who also had an eagle eye when the pinch came and who shot two perfect scoring passes when the Mississippians were unable to further penetrate the Demon line.

Late in the first half the Demons got going and showed the Southerners a brand of football they couldn't cope with. Four passes close to the goal dropped through the intended receivers' hands, however, and the Normal drives were checked.

Later it remained to Starnes, Normal end, to account for the Demon score. Starnes took a pass on the Mississippi three-yard line and refused to be downed by two Southerners, who hung on while he fought his way over the goal. The conversion by placement made it seven points for Normal against fourteen for the Demon's opponents. Mississippi came back with one more scoring drive and brought the count to 21-7, handing the Normal aggregation their second defeat of the year.

Normal, 7; Ouachita College, 6

Natchitoches, La., Nov. 21, 1941

N Club homecomers were treated to an exciting grid-iron battle when the grads saw the Demons eke out a win from Ouachita College on Normal field. The Demons came in second in yards gained and first downs registered, but finished in front on points with a 7-6 score. Captain Bama Wright accounted for the Demon score when he took a long pass from Scott and raced over the goal standing up. Ted Wright converted in the last seconds of the first half. This incident was an almost exact duplication of the game between the two teams last year, when a last-minute pass netted the Demons enough points for a victory. Ouachita threw a scare into Demon supporters when, in the fourth period, the Tigers scored from the three. Their attempt at conversion failed, however, and the Arkansas eleven was downed, 7-6.

Schumacher goes up in an attempt to block Southwestern's punt.

Johnson takes one of Scott's bullet passes.

Normal, 0; Southwestern, 6

Natchitoches, La., Nov. 27, 1941

Bowing before the Bulldogs of S. L. I., the Demons closed out the 1941 season holding third place in L. I. C. standings. Southwestern's winning marker came in the second period upon the interception of a Demon pass, followed by a completed pass and eight line plays by the Dogs. For a moment it looked like no score, for the Lafayette boys failed to go over on three running plays within the 5-yard stripe, but chalked up a 6-pointer on the fourth attempt.

Annual event preliminary to the Southwestern game—burning of the Bulldog.

The Shreveport parade and the bench as Tech scored the final points of the day.

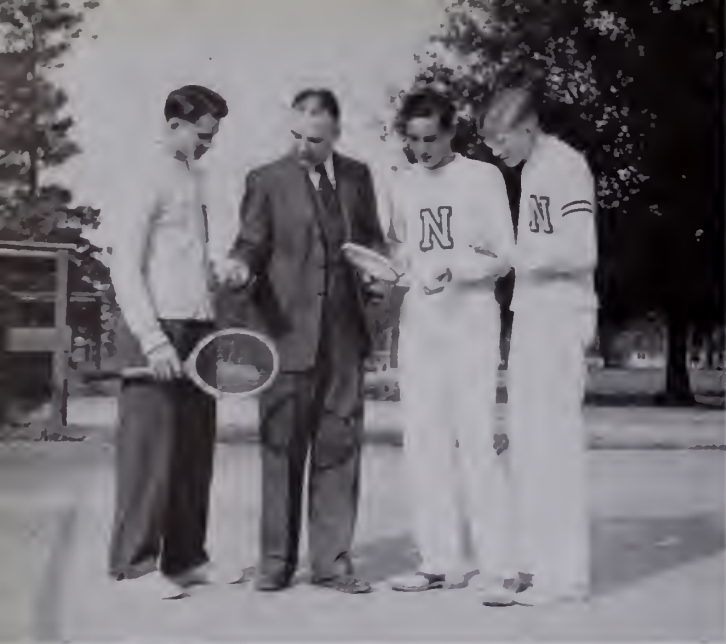

T. Wright blocks Southwestern's extra point try.

The Demons missed the pass combination of Scott to Bama Wright and the play of James Sweeney on the defense, for Wright was inactive with an injured leg, and Sweeney was on the sidelines with a chest injury sustained in the Hattiesburg game. Bulldog defenses cracked repeatedly, however, when Normal forwards opened holes to allow Demon backs to chalk up nice gains, but the only scoring threat the Demons made was checked when, on third down, they were penalized from the one-foot line and lost the scoring chance. The Demons picked up 199 net yards and 12 first downs to 101 yards and 7 first downs for the visitors, but could not develop a scoring punch.

Coach John S. Kyser uses some of his technical words on the boys.

TENNIS

The Demon netmen were well justified in claiming the L. I. C. Championship by being the only team undefeated in conference competition. While winning eight meets, they lost only three, these three being to non-conference teams. A trip to Lafayette in the late spring to enter the Louisiana Intercollegiate Conference Tennis Tournament found the Demons on top. Angle and Bolton won top honors in doubles, while Angle placed second in singles.

Bolton, veteran member of the team, racked up the best record for the season by winning a total of ten matches while losing only two.

Prospects for the 1942 season are very bright with the return of three lettermen. A promising addition is Earl Williamson, who comes up from the freshman squad.

THE SEASON

Starting his 29th season as Normal's basketball coach, H. Lee Prather found his 1942 edition of the team extremely shy in regard to experienced men. Only two lettermen—Botzong and Morris—returned from the team that won the L. I. C. Co-championship in 1941. Coach Prather was forced to rely on a squad top-heavy in sophomores and freshmen. This lack of experience was clearly evident in the opening games of the year, but as the season progressed a definite improvement could be noticed.

The games that the Demons lost were usually lost by

comparatively close scores, usually only five or six points separating them from their opponents. In the L. I. C. race the Demons finished fourth, winning two and losing six for a percentage of .333. In all games played against college opponents the Demons dropped eleven engagements while winning five.

A new addition to the schedule of the season was a series of games with teams from nearby army camps. The Demons were victorious in all seven of these engagements.

Normal's trackmen opened their 1941 season in a bit-too-tough competition when the Rags-Turpin-coached men met Louisiana State University, North Texas Teachers and other big squads in the Southwestern relays held on the University campus in Baton Rouge. Unable to capture any first places, the Demons rolled up their share of seconds and thirds and at no time were completely outshown by the major track teams entered in the meet.

In a triangular meet with Southwestern and Loyola in New Orleans, it took a tie for first in the broad jump and a victory in the mile relay, the last two events on the card, for the Demons to gain a winning total of 48 points to Southwestern's 46. Loyola came in third in the field of three, but that's nothing—the Wolves amassed 41 points, at that. Only seven points separated the first and third-place teams, and that is the story of a very close meet, decided only on the last two events. First places went to Webb (100-yard dash), Botzong (120-yard high hurdles), Carbo (220-yard low hurdles), Red Lee (pole vault), Cummings, who split a first with the Loyola broad-jump entry, and the mile relay team of Mayer, Walker, E. Wright and Webb. Additional points were

garnered through second and third places by Hollis, E. Wright, Carbo, who placed in four events to walk off with 12 points and top scoring honors, Webb, Allen, Taylor and Starnes.

Playing host to Southwestern and Centenary, the Demon thinclads had an easy time in rolling up 71 1-2 points, followed by the Bulldogs with 52 1-2 and the Gents, who eked out 11 markers. The Demons went out to win right from the first and were never headed. Carbo again led the way in points, amassing a total of 12 1-2 from a first, two seconds, a third and a tie for third. Bama Wright provided the most beautifully run race of the afternoon when, in the last four feet, he overcame the lead of the S. L. I. entry to take first place in the 440-yard dash. Other Demons who took

first places in their specialties were Lee, Tyler, Botzong, Webb, Hollis, Carbo and the relay team of Mayer, Walker, Wright and Webb. Hollis, Walker, Taylor, Bourn, Carbo, Webb, Starnes, Bollier, Nation, McSwain,

Gibson, and McDermott added points through second and third places.

but disaster struck when the extremely rough Southwestern track caused Bullet Webb to pull a leg muscle in the 220-yard dash after he had bested other entries in the 100-yard event. The loss of Webb's usual first-place points in the 220 and the loss sustained by the relay team racing without Webb as anchor man enabled Southwestern to walk off with meet honors with 82 1-2 points, followed by Normal with 69 1-2 points, Centenary with 7, Tech with 4 and Southeastern with a score of 1. First places were taken by Webb, Lee and

Botzong, while Carbo, McDermott and Hollis took seconds and thirds.

Led by Zolon Stiles and Carlton Johnson, the freshman track squad entered several meets during the year, included in which were the Southwestern Relays at Baton Rouge and tiffs with freshman teams from L. I. C. colleges. Johnson and Stiles especially show much promise on the cinders, and others who scored points in freshman meets include Free, James Taylor, Glover, Dunn, Rutherford, Brown, Lutgring, Findley and Crews.

Cracker Brown's 1941 nine's season was a disastrous one, for the Demon diamond crew dropped every one of their engagements—four to Southwestern Louisiana Institute, four to Louisiana Tech, and three to the Centenary Gentlemen.

Lack of interest in baseball on the campus by the students has resulted in a curtailment, to a degree, of the sport, and it is not now listed as one of the major varsity sports.

THE BAPTIST STUDENT UNION

The Baptist Student Union, an organization sponsored by the Southern Baptist Convention, was organized at the Louisiana State Normal in 1927. It is a unit in both the State and South-wide Baptist Student Union, and is composed of all Baptist students who are members of the Sunday School, Training Union, Young Women's Auxiliary or the local Baptist Church. Its work is directed by an executive council and committees which make up the larger council, under the leadership of the pastor of the local church and the student counsellor, who is maintained by the church. This year, for the second year in succession the Normal B.S.U. reached the standard requirements for First Magnitude Baptist Student Union, which is quite a distinction and achievement.

THE Y . W . C . A .

The Young Women's Christian Association of Louisiana State Normal College is a member of the Young Women's Christian Association of the United States of America and a participant in the World's Student Christian Federation. The Y.W.C.A. was begun at Louisiana State Normal College in 1911 by the Union of the King's Daughters and the Devotional Circle, two organizations for creating greater fellowship among the women students and the faculty and drawing them closer to their Creator.

The purpose is to unite in the desire to realize full and creative life through a growing knowledge of God, to determine to have a part in making this life possible for all people and in this task to seek to understand Jesus and follow Him.

T. H. HARRIS SCHOLARSHIP ASSOCIATION

The Association's purpose is to promote co-operation between students and faculty; to promote high standards of scholarship and character, as well as to improve student life at the Louisiana State Normal College. Members of this group are selected by a faculty committee and approved by the State Board of Education after careful consideration of character, leadership and scholarship. A B average must be maintained to keep this scholarship. Members of this organization retain membership for life.

DEMETER

The Beta Chapter of Demeter Fraternity was organized at Louisiana State Normal College in November, 1935. It is a national professional organization having as its

purpose the promotion of agriculture and scholarship among its fellow students and to create a closer relation to farm, home and community life.

IN APPRECIATION

If the 1942 "Potpourri" has proved itself a worthy supplement to those "Potpourris" which have gone before, much of its success must be accredited to the following persons who have given their valuable time and untiring energy. We, of the staff, wish to express our sincerest appreciation to:

Mr. George Atkinson of Minden, La., who contributed the portraits for the class, beauty, and organization sections, and who particularly lent his ability toward giving instruction and helpful advice about photographic work throughout the book.

Mrs. Daisy Abbott and Mr. P. E. Dozier and the staff of the Shreveport Engraving Company for their cooperation and work. The Benson Printing Company, particularly to Mr. Ed Benson, since the revision of the book from the original plans caused quite a headache (not only to Ed).

Mr. Charles Cunningham, faculty adviser of the "Potpourri," who took care of the very limited funds and contributed helpful advice at every turn.

Especial thanks to those merchants whose advertisements follow this page, since their contributions mean much to any annual.

Charles Stahls and Sam Kendrick, editors of "The Current Sauce," for generous treatment in their paper, and for being good neighbors.

THE EDITOR.
